## Open House

Open House usually means an invitation to come and visit; and that is what the people of this community are getting for Thursday night, December 2, from 7:30 to about 10. You can come in for five minutes, take a look around and leave immediately or stay the entire evening, just as you like. There is to be no program, but the officials of the Tryon Young Men's club are eager to have all friends and anyone interested to come and visit the new quarters which have just been remodeled and made very attractive. This invitation goes to all the ladies as well as the men and young men. There are two entrances to the club rooms. One is the still open door in the use of the stairway up Dr. Derby's office and takes you down again to the club entrance. The other way is around back of Thompson's Barber Shop. A light over a sign points the way.

## Nearly 100 Reservations for Church Meeting

Ninety-four reservations had been made this morning for the annual meeting of the Erskine Memorial church at Oak Hall tonight beginning with supper at 7 o'clock. There will be room for a few more members who may decide to attend at the last moment. The supper is 75c per plate.
