The WPA has opened a book-craft shop at the Tryon graded school with Miss Virginia Bland in charge, for the purpose of mending school books.

Billy Baker, six-year-old son of Mr. and Mrs. James M. Baker, will celebrate his birthday this afternoon with a party of sixteen friends at the home of his parents in Pacolet Hills.

A little bit of Tryon, its scenery, climate, people, activities, and something about the Bulletin will be among the contents of the Tenth Anniversary Edition of the Tryon Daily Bulletin. Have you any suggestions?

"One serious accident can wreck your bank account. An Aetna Ideal Accident Policy settles doctor and hospital bills, provides income while you're laid up." E. Perry Manville, Phone 71.—Adv. (1)

You can send the Bulletin to any friend for six months anywhere in the United States for only \$1.
