Sound Pictures In Color of Piedmont Boy Scout Camp

Scout Executive R. M. Schiele will show his latest talking pictures in color of the Piedmont Boy Scout Camp taken last summer at the camp on Lake Lanier. The pictures will be shown at the Parish House on Monday, January 24th, following the Polk County Court of Honor. This will be the first showing of talking pictures of the local camp. The public is cordially invited to attend. Dr. C. Arthur Lincoln, chairman of the Court of Honor, will preside. Scoutmaster Zeno Green of the new troop at Saluda reports that a number of Saluda boys are ready for the Tenderfoot Rank. Scoutmaster W. A. Schilletter of Tryon will have a number of Scouts ready for promotion. Rev. B. G. Henry attended the Boy Scout convention at Gastonia on Tuesday and is making plans for the troop at Lynn.

Another Candidate

In the Here 'N' Yonder column of this week's Polk County News appears the announcement of James E. Johnson as a candidate for the state legislature.

G-Men uncover bodies of two men slain by kidnaper. Remains of victims and accomplice of Anders found in Wisconsin. Discovery ends three-day search.

Gym Still Closed

The Tryon high teams take to the road for the fifth consecutive time, having to change the annual game with Columbus high to Stearns gymnasium. So far as is known this will be only the beginning if the rest of the schedule is played. This is working a considerable hardship on the boys and girls for the constant traveling wears them down. Also to be considered is the hazards of twice as much car travel as in former times. It seems purposeless when you consider the last two gymnasiums played in had fewer exits and were heated by stoves. The skating, parties and dances which the entire school has enjoyed each week has had to be discontinued.

Fight On Radio

When Tommy Farr, English heavyweight champion, meets Jimmy Braddock, former world's heavyweight title holder, in a ten-round bout at Madison Square Garden tonight, Station WWNC will carry a blow-by-blow description of the battle beginning at 10:15 o'clock. Sam Taub, veteran boxing commentator, and Bill Stern, NBC sports announcer, will report the fight for listeners in the East, while Clem McCarthy and George Hicks will broadcast a blow-by-blow description for listeners in other sections of the nation. Boxing commentators of the Canadian Broadcasting corporation will report the fight for Canada and Great Britain.
