

TRYON MOTOR CO., Inc. Chevrolet

The Anniversary

"The world's smallest daily—Seth Vining's Tryon Bulletin—came out with its tenth anniversary edition Monday. Eighty pages of jam-up interesting material, well gotten up, and exceptionally printed. Congratulations to Seth and his group of co-workers for a job well done."—Editor C. M. Douglas. Transylvania Times.

"My dear Mr. Vining:

"Please permit me as one of the daily readers of your paper from so great a distance to offer congratulations on the splendid souvenir edition of your Bulletin.

"I came to know about your paper through Rotary and the fine president of your well known Rotarian J. T. Arledge. Mr. Arledge sent me one year's subscription to your paper and I look forward to it every day.

"Tryon is also famous because you have as a resident Dr. David L. Edsall, who was my Professor of Medicine at the University of Pennsylvania, and one of the great outstanding medical men of America.

"Wishing you continued success,

"I am, very truly yours,

"Clarence W. Way."

Ten years ago the St. Luke's hospital committee was meeting and having plans to build the hospital. F. P. Bacon was chairman, Julian Calhoun was vice-chairman and J. N. Jackson was the financial chairman. They and their committee did a good job. . . Franklin Little was a member of the University of North Carolina Glee club which gave a performance at the Strand Theatre in Tryon. . . . And Dr. Henry Nelson Snyder who spoke at the Lenier club yesterday was the guest speaker before the club almost exactly ten years ago. . . . Dick Burnette arrived to operate the Standard Service Station.

You can send the Bulletin to any friend for six months anywhere in the United States for only \$1.
