Packed Houses Enjoyed Two Performances of "Royal Whims"

Large and appreciative audiences
enjoyed the Garden club's produc-
tion of "Royal Whims" by A Fior
Friday and Saturday evenings.
The play, a three-act comedy, was
directed by Mrs. Louis Fuldner,
who is well known in Tryon and
the vicinity for her expert direction
and splendid productions.

It would be difficult to pick any
one member of the cast for special
mention—they all played their
parts so well. It certainly was an
all-star cast. The audiences were
delighted to see the faces of many
of their favorites generously in-
terspersed with several new faces.
The ease with which the cast
handled their parts and the clever
characterization they gave, made
it hard to believe that acting was
secondary to other vocations in
their lives.

Mrs. Fuldner has given us some
beautiful scenery in the past, but
this time she has surpassed her
former work. The audience gasps
at the realistic view in front of
them. Giant snow-capped moun-
tains soar up to blue skies. Pine
trees and mountain foliage. Aus-
trian village and Alpine hut. All
so real that it takes no imagina-
tion at all to transport oneself
to Bad Ischl. Costumes, too, are
native to Austria and the ladies
in their quaint bodices and fancy
aprons and the gentlemen in their
picturesque hunting clothes, all
make a delightful picture.
