Those Valentines!

Today I had two valentines
That tickled me to death!
Their sentiments and eloquence
Just fairly took my breath!

They brought back to my memory
The time, when, as a brat.
I, too, once sent a valentine
Less eloquent than that.

I sent it to another brat—
(We were a "sassy" pair!—)
But NEVER to a venerable
Dame, with snowy hair!

So I enjoyed it quite as much
As those who sent it—more,
I think; for it recalled
My brat-hood days of yore.

American Legion Junior Baseball Is Wanted in Tryon

With the very pretty weather we are having we find the desire to start tossing the old baseball again. It is the wish of many people in this community to start an American Legion Junior Baseball team. We all remember the fine game played by our young people from Spartanburg last season. Why isn't it possible for the communities of Tryon, Columbus and Saluda to have a baseball team of this kind for their young men between the ages of 14 and 17 years old inclusive?

The following young men of Tryon have expressed their desire to begin practice at the earliest possible date: Arthur Parker, Cecil Hayes, Emerson Edney, Francis Chapman, Frank McFarland, Tommy Justice, Fred Hutchinson, Dutton Beatson, Thurston Arledge, Jack Melton, Billy Parker, Seth Vining, Harold Taylor, Frank Walls, Marion Green, Henry McGeachy, O. T. Hayes.
