Novelist and Short Story Writer Coming

Marian Sims, of Charlotte, N. C. guest speaker at Lanier club on Thursday.

It has been written of Mrs. Sims that "as surely as The World With a Fence singled out Marian Sims as a writer whose novels would bear watching, so does her novel, Call it Freedom, stamp her as a novelist who has arrived."

Mrs. Sims who has contributed to the Saturday Evening Post, Collier's and other periodicals, will have much to say of the writing field. Naturally interested in the part of the country from which she came Mrs. Sims' subject on Thursday will be, "The Modern Trend in the Literature of the South."
