Correction

I wish to correct the statement which was published in the Citizen and Polk county papers, in regard to the forfeiting of the girls' game in the finals with Green Creek girls. The girls did not walk off the court in protest of the expulsion of G. Williams from the game, but were taken from the game after a free-for-all, which resulted from an attempt by an opponent to kick a Stearns player. The girls would have played the remaining minutes of the game, if they had been advised to do so.

Coach, Stearns High School.

First White Boy Born In Yukon Coming Sunday

The Rev. Henry H. Chapman, the first white boy born on the Yukon in Alaska, will be the guest minister at the Church of the Holy Cross in Tryon on Sunday morning at 11 o'clock. Mr. Chapman was born at Anvik, Alaska, on January 8, 1895, and has spent his entire ministry in the Alaska Mission Field. He was educated at Middlebury, Vermont, high school and college and the General Theological Seminary, New York. He was ordained at Fairbanks, Alaska, in 1921, and has been in charge of Christ Church at Anvik, Alaska, since 1930, when he succeeded his father, Dr. John W. Chapman, who built Christ Church. He has to visit some of the native villages by boat in summer, by dog team or airplane in winter. He will talk Sunday morning about the interesting work he and Mrs. Chapman are doing in teaching the natives of various denominations as well as conducting religious services for them. The public is invited.
