Responding Nicely!

Probably no where else in the world will you find a small community with better public spirited citizens and friends who come to the rescue to help worthy causes. Already 72 donations of checks and cash have been received by Treasurer B. L. Ballenger for St. Luke's hospital. Some of these donations are just a few dollars in cash from working people who in their heart know the need of a hospital for Tryon, some are \$10 donations from people with small incomes. There are others of \$25, \$50, \$100 and in between, all giving according to their ability, but each giving with the same spirit for the community NEEDS A HOSPITAL. They know that in giving to St. Luke's hospital they are helping suffering humanity for miles out in the county and mountain districts. The spirit of the poorer worker inspires the wealthier donor to give more. The Lord naturally helps those who help themselves and no man makes too little to give something. The dollar a day man could send one dollar. It will take 60 people giving \$100 each to raise the money needed. It will take 600 people giving \$10 each. So you can see the task ahead of the Hospital Association. You can help them a lot by sending in your check or pledge card by Saturday.

Paper Chase

The Tryon Riding & Hunt club announces a paper chase starting Sunday afternoon at 3:30 from Tower Hill. The hare can not be allowed a second over 30 minutes grace, so all riders will have to be on time.

Large Crowd Attends Federation Meeting

A crowd that filled the court room and overflowed into the hall enjoyed the speaking and moving pictures at the county-wide Farmers Federation meeting at Columbus Thursday evening. Former Senator Browning, now a member of the Federation staff, spoke on the growth of the Federation, and plans for the coming years, after which President James G. K. McClure spoke briefly and acted as commentator on the moving pictures shown on the Federation's activities in the different counties. String music by the Federation string band was enjoyed as were a delightful bit of singing and entertainment by Mr. and Mrs. M. B. Flynn, of Tryon.

Plans were announced for the annual County Federation Picnic this summer, at which moving pictures will be made to be shown here at the next meeting in the fall.
