Clubs in hand and armed also with tear gas, officers opened a path through the pickets this morning to take about 20 workers into the plant, and, upon leading them out late today, again encountered opposition. — Asheville Citizen.

Hospitals received \$826,940 and orphan homes \$153,701.

The appropriation brought to approximately \$12,800,000 the sum allotted by the endowment to hospitals and orphan homes in the Carolinas since the fund was established December 11, 1934. Of the total amount \$11,250,499 went to hospitals and \$1,562,138 to orphan homes.

In 1928 the group of non-profit hospitals in the Carolinas totaled 48 and they averaged approximately 500 free patients per day.
