

## Tryon Country Club

A two-ball mixed foursome event is planned for Friday, April 8th, starting at 3 p. m. The tournament committee wants this to be the outstanding event of the season for both residents and visitors, but is handicapped at the start by not knowing all of those who might wish to enter. We, therefore, ask your cooperation, whether you be resident or visitor. Please call Larry Brooks at the Country club and tell him that you will play. If you call him before Wednesday evening it will make the job much easier for those who select the pairings.

We will try to make it "All Even" by putting good players with poor ones and poor players with good ones. So come out and enjoy the game.

An entry fee of 15c per person will be charged and this goes into the "Tea Pot" from which will come "Free Tea" to all contestants who care for tea and such.

The committee asks the cooperation of the hotel and inn keepers in calling the attention of their golf playing guests to this event.

Mr. and Mrs. Jack Kimberly and Mr. and Mrs. William Kellett of Neenah, Wis. have arrived for the spring riding activities and will occupy the J. C. Kimberly house while Mr. and Mrs. Kimberly are on a visit to Florida.

FOR RENT: 6-room furnished cottage in the Valley adjoining "Seven Hearths." Phone 123-J, or write box 483, Tryon—Adv tf. c
