At a meeting of the Tryon Riding & Hunt club on Wednesday evening at Sunnydale final plans were completed for the Thirteenth Tryon Horse and Hound Show to take place at Harmon Field on Wednesday, April 13th.

The meeting was presided over by the President, Carter Brown, and final reports were made by the committee chairmen.

This year the largest number of entries have been made and it is expected to be the biggest and best show in its history. All parking space has been sold and most of the boxes. Another bleacher stand has been added which will accommodate more people.

New facilities have been provided for the purpose of springling the roads going to Harmon Field and the Horse Show ring, so that there will be no dust to mar the day.

The main social events for the

## Lanier Club Hears Professor Hamilton

J. G. de Rouilhac Hamilton, former professor in the University of North Carolina, now doing research work for the University Library, gave a delightful talk to a large number of Lanier club members and visitors at the meeting on Thursday afternoon. Professor Hamilton related interesting accounts of looking up old records and historical places all through the South—rediscovering the old South. He has been in this research work for the North Carolina University for the last nine years, traveling 275,000 miles mostly in the South; resulted in finding two million manuscripts—letters, diaries, business records, etc. "Long runs of family letters," he said "gave a social picture of the life of the people and if ever a true history of slavery were written it would come out of family letters." The family letters kept by several generations tell of the education of their children, economical condition, what they ate and wore, etc.

Professor Hamilton said in this research work he hoped to preserve the unique and colorful civilization of an important section of our Nation.

Preceding the address the business of the club was transacted. The president, Mrs. Harkness Smith, announced the annual meeting to be held on April 21 at which time the following officers will be voted upon: For president, Mrs. Harkness Smith; vice-president, Mrs. Walter Howell; secretary, Mrs. E. E. Missildine;
