In behalf of the Tryon Riding & Hunt club, the community and myself I take this means of expressing our belated but sincere appreciation and gratitude for the hard work and service so generously given to the Thirteenth Annual Tryon Horse Show sponsored by the Riding & Hunt club, the work of the committees, the state, the county, local officers and the community support.

The Show is mainly a sporting event for the entertainment of all. Any funds from it are used to maintain Harmon Field, and the trails for the people who enjoy riding and hiking. These trails maintained by the Riding & Hunt club over our friends' land are most valuable in case of forest fires.

Again let me take this occasion to express our thanks to all over whose land we ride, and to assure them we appreciate their cooperation.

A meeting of the chairmen of committees and any others interested in making suggestions for next year's Show, will be held at Sunnydale Tuesday evening, April 26, at 8:15 o'clock.

Carter P. Brown, Pres.  
Tryon Riding & Hunt Club.
