TRYON, N. C. THURSDAY, APRIL 28, 1938

New Theater

At long last Tryon is to have a new theater. H. L. Shelnuitt who recently bought the old Tryon theater building submitted plans this morning to the Town Commissioners and a building permit was issued. The new theater will be modern in every respect with the best sound and projection equipment, upholstered chairs and all other necessary comforts and conveniences of the big city theater including a modern air conditioning system. The fireproof structure and equipment calls for an outlay of approximately \$36,000. It will be two stories high with a balcony for colored people. The first floor will seat 462 people and the balcony 136 making a total seating capacity of 598. Earl Stilwell of Hendersonville is the architect. He has made an excellent record building theaters. The plans have been approved by the State Fire Insurance commission. The contract has not been let but the theater is expected to be ready for service by September 1. Russell Walcott, well-known architect of Tryon and Chicago, and Samuel Bingham of Tryon a former Chicago business executive have purchased an interest in the new theater which will be operated under the New Era Enterprise charter of incorporation.

Tryon's new fire truck was performing beautifully and efficiently Wednesday evening at Lake Lannier pumping water as a demonstration when a call came to Gillette Woods where the Condicts were burning brush. No harm. Fire men proved their promptness.

Busy Friday

Some Tryonites will be busy on Friday if they attend the Rotary club at 1 p. m., at Oak Hall, then go to the Flower Show at the Parish House Friday afternoon or play their tennis match at the Country club, then drop in for the Firemen's house warming at the Town Hall on their way to the piano recital at the Tryon school. This can be followed with a dance at Sunnydale. A very busy day for a small community and it does not include those playing golf, going in swimming or fishing. The weather is perfect!

The Draw

The draw for the men's singles tennis tournament which starts this week at the Country club has been made and the matches are as follows: Jackson vs Rion; Hester vs Holmes; Kinloch vs Blackwell; Flynn vs Zogbaum; Dudley Smith vs Hill; Bingham vs Brannon; Helms vs McClure; Hilton vs Caldwell; Haynes vs Rogers; Drew vs Howell.

Contestants are requested to get in touch with each other and play their matches on Friday, Saturday and Sunday. The draw is posted at the Country club; winners of the opening round matches may find out when they play next and make their own arrangements for the second round matches.

The courts are reserved for the tournament contestants during the week, but may be used for practice matches when no tournament players are waiting.
