

The Tryon Daily Bulletin

(THE WORLD'S SMALLEST DAILY NEWSPAPER)

Vol. 11. Est. 1-31-28

TRYON, N. C., FRIDAY, APRIL 29, 1938

Parade Today

The Tryon Firemen will parade their new truck this afternoon beginning at 4:30 from the Town Hall.

Forestry Specialists

R. F. Page, Assistant Extension Forester of State College, spent Friday and Saturday in the county making a detailed study and getting figures on the Forestry Thinning Demonstrations of H. P. Sharpe and J. S. Hart.

Mr. Page says these are two of the best demonstrations in the western part of the state. He was well pleased with the fine progress Polk county was making in caring for their forests.

He will be back at a later date to check a pine planting demonstration on the farm of J. S. Williams in Green Creek and a locust planting demonstration of C. D. Brown's farm near Columbus.

Theatre Treat

Manager Charles W. Nessmith of Tryon's Theatre has invited a number of people to a private showing of interesting scenes on the Island of Madagascar and the Seychelle Islands near the coast of Africa. The pictures will be in technicolor. Guests are requested to bring their invitation cards. It is interesting to note that a Tryonite, John Foster Searles, has been living on the Seychelle Islands for sometime. And from time to time sends interesting letters to his friends in Tryon. The picture will be accompanied with a descriptive talk.

Piano Recital Tonight

The annual Piano recital of Mrs. Walter Jones pupils will be presented tonight at 8 o'clock at the Tryon High School auditorium. The Rhythmic orchestra, the high school choruses will be attractive features on the program which is reproduced on the inside pages of this issue of the Bulletin.

Dance Tonight

Mr. and Mrs. Ernest Ke'hulas are hosts again tonight at their regular Friday evening dances at Sunnydale Log Cabin. Rock-ola music will be furnished. The admission is 50 cents for couples or stags.

Headlines

France and England map out plans to work together in event of another world war.

Railroads order a 15 per cent cut in wages which will effect a saving of \$250,000,000 it is predicted.
