Boy On Bicycle Is Killed By Truck

Columbus, April 29.—James Feagan, 11 year-old son of Willie and Ida Cole Feagan, of Cross Keys, 11 miles west of Columbus, was instantly killed at 1 o'clock Friday afternoon when his bicycle was struck by a truck said to have been driven by Clarence Thompson, 25, of the Peniel community of Polk County.

Investigation, conducted by Coroner O. O. Bridges, Sr., and a jury, disclosed that the driver of the truck started to pass the boy on the bicycle when in some manner, the bicycle became entangled with the truck and the boy was fatally injured.

The coroner's jury recommended that Thompson be held under \$1,000 bond pending grand jury action.

The truck, officers said, is owned by O. C. Harrison, of the Peniel community, who had loaned it to Thompson to go for a doctor to treat Mrs. Thompson.

Funeral services for young Feagan will be held sometime Saturday at the Green Creek Baptist church.

Surviving are his parents; one brother, Hughie and his paternal grandfather, Melton Feagan.
