## Making Ends Meet

Making ends meet is the problem of every organization, business man or housewife in Tryon, and an interesting one it is. Each one must solve it in his own way, but we are all concerned in the way our public institutions meet the situation. Here is a brief summary of how one such institution has fared in this "recession" year. Please analyse the following annual statement and ponder its implications:

### Receipts

Lanier Club Membership	
Dues	\$ 842.00
Library Cards and Fines,	
Etc., Etc.	300.00
Rent	164.45
Donations, Legacies. Etc.	144.00
Entertainments	250.83

\$1,702.18

### Disbursements

Books	\$ 411.84
Library Supplies	177.78
Librarian & Assistant	641.00
Phone, Lights, Water, Fuel	123.13
Printing & Postage	28.50
Insurance	112.95
Janitor & Grounds	192.80
House Supplies & Repairs	50.70
Lecture Expenses	26.33

\$1,764.53

\$1,764.53

\$1,702.18

Deficit \$ 62.35

This deficit was met by dipping into the Lanier club "nest-egg", the little balance left from Lady Astor's donation last year. So the library owes no debts, but—having made ends meet, where do we get the \$500 necessary to put a new roof on top? Some donations have already been sent to the treasurer, Mrs. Bernard Sharp, toward the needed repairs on the library building, and we hope that all those who realize the value of

the Lanier library will follow suit if possible.

## In Memoriam

Carpenter, Nell Jane. In loving remembrance of our dear wife, daughter and sister, Nell Jane Jackson Carpenter, who departed this life three years ago, today, May 2nd, 1938:

She had a smile for every one,  
And a heart as pure as gold;  
Although her soul is now at rest  
Our love for her will never grow old.

HER LOVING HUSBAND,  
MOTHER AND SISTERS.
