

## Tryon Girl Graduates In New York

Miss Josephine Huston Kelly, daughter of Mr. J. E. Kelly of Punta Gorda, Fla., and Mrs. Whitmore Kelly of Tryon, will be graduated on Wednesday, June 8, from The New York Hospital School of Nursing, where she has been a student for three years.

Miss Kelly expects to enter the field of child welfare nursing.

She has served as vice-president of the student organization, junior prom chairman, secretary of her class, and secretary of the house committee.

Prior to entering the School of Nursing, Miss Kelly attended Western College at Oxford, Ohio, for two years, and was graduated from Antioch Academy, Yellow Springs, Ohio, and from Fassifern School for Girls, Hendersonville.

She is one of a graduating class of twenty-four.

The New York Hospital Nursing School has its origin in a course of training for nurses given from 1799 to 1817 by Dr. Valentine Seaman, a famous surgeon of his day. His course of lectures, supplemented by practical instruction in the wards of The New York Hospital, was probably the first systematic and scientific training offered to nurses anywhere.

The present school, however, was not established until 1877. It moved to its magnificent new building, overlooking the East River in 1932. It is part of The New York Hospital Medical Center which also includes Cornell University Medical College. The hospital, with capacity for 1,000 patients, offers unusual facilities for teaching nursing students in its medical, surgical - operating room (pediatrics, obstetrical, gynecological, psychiatric, public health, and out-patient departments).

Bill Ward arrives home tonight from Georgia School of Technology, Atlanta.

O. B. Powell of Asheville is relieving C. N. Brown, meat manager at the A&P store for two weeks' vacation.

## Boy Scouts Meet On Wednesday

The Tryon Boy Scouts will meet on Wednesday afternoon at the school at 4:30 for a baseball game. At 6 o'clock they will have a cook-out supper and at 7 o'clock will hold a business session. Scoutmaster W. A. Schilleter is eager to have all Scouts present.
