Directors of Game League Are Elected

A meeting of the Polk County Fish and Game League was held Columbus on Friday afternoon, June 10th.

The following directors were elected:

C. J. Lynch, Tryon; Slim Laughter, Cooper's Gap; Jim Durham, Columbus; John Moore, Columbus; Lish Steadman, Green's Creek; Sid Feagan, Green's Creek; W. H. McDonald, White Oak.

President Ballenger made the following committee appointments:

Hunting: Julian Hester, Chairman; Walter C. Hill, W. H. McDonald, Slim Laughter, Jim Durham, Lish Steadman.

Fishing: John Moore, Chairman; Dr. John Z. Preston, R. S. Walcott, Ralph Williams, H. L. Arledge, Sid Feagan.

It is the aim of the League to promote conservation and propagation of game birds and fish in Polk county. To secure the cooperation of land owners in seeing that game laws and seasons are observed and to use to the fullest extent all State and National aid granted to those who rear game birds and in the stocking of streams.

It is expected that a membership campaign will soon be under way to secure members, and it is their hope that in securing a large number of Polk County residents to take membership a great deal can be done to promote sportsman-like hunting and fishing. Such a movement can do much to increase the interest in these two sports as well as make Polk County a better place in which to hunt and fish.

Arrest Of One Leads to Near Riot

One man listed as Ray Walker of Mill Spring, was arrested and placed under bond and charged with public drunkenness, driving drunk and resisting an officer as the result of a near riot in the Mill Spring section of the county Saturday. According to Sheriff Hines a call came to his office in the early part of the evening and upon investigation, Walker was placed under arrest. Three other men who were present were reported to have interfered, one of the trio brandishing a knife and causing the sheriff to draw his gun for the first time since being in office. Walker was brought to the county jail. Chief Hague Kiser was called and he sent Amos Foster of the Tryon Police force with the sheriff's deputies to the scene. When they arrived the other three members of the disturbing party had disappeared. Warrants for their arrest have been issued.
