Card of Thanks

I wish to take this opportunity to express my thanks and appreciation to the Democratic voters of Polk County for the splendid support given me in the Primary on Saturday, which resulted in my receiving the nomination, on the Democratic ticket, for Representative for Polk County in the State Legislature. I hope that this support will be continued through the general election this fall. It will be my earnest endeavor to merit the confidence which the citizens of our county have expressed in me through their ballots in the recent primary.
