

The globe-circling plane of the aviator Howard Hughes, was reported at 9:22 A. M., streaking 200 miles east of Yakutsk, Siberia, on a lap of its trip that is expected to land it with its crew at Fairbanks, Alaska, between 7 and 8 P. M., this evening (E.S.T.) approximately 72 hours after leaving Floyd Bennett Airport on the record-breaking flight. Mrs. Wiley Post, widow of the late world flyer, is expected to greet the flyers upon their arrival in Fairbanks where she has gone to dedicate a monument to her husband and the late Will Rogers.
