At San Francisco

An interesting account of his visit to San Francisco to the Rotary International convention as a delegate was given to the Tryon Rotary club on Friday at 1 p. m., at Sunnydale by Nelson Jackson, Jr., who represented the Tryon club. Mr. Jackson spoke of the various conferences and inspiring speeches and contacts made at the convention which showed the great work Rotary is doing toward world peace and a better understanding and appreciation of the good in all peoples and races. Prominent Rotarians from all over the world told of the work Rotary clubs are doing for the needy, the crippled, the underprivileged, and the promotion of worthwhile community projects, the Boy Scouts, 4-H clubs for boys and girls and hundreds of other activities that show the spirit of service in Rotary. Mr. Jackson led a group on an interesting tour of Chinatown which was thronged with customers while the Japanese sections were boycotted because of the war. He told of a five minute talk with the Rotary International president who is a prominent Frenchman, speaks seven languages and had visited many countries in the interest of Rotary and international good will. 12,000 Rotary delegates and their families had a great time and they were more than ever sold on the fact that Rotary is a good thing for the member, the community and the world.
