## Letters —

London, Aug 24th, 1938

Dear Seth,

My last letter caused such unfavorable comment that I am at a loss to know what to say in this.

Your London Correspondent is on a holiday (I am alluding to Miss Graham) and so, therefore, perhaps, though I am not your London Correspondent, I may be permitted to give my impressions of London, which City I have not visited for a long long time.

Contrary to current impression, I find all Londoners charming. They appear to use every effort and endeavour to please the visiting stranger.

It is a city of clean streets, extremely efficient transportation facilities and it still has all of the historic buildings of which we were told when children.

A trip from Waterloo Bridge to the Tower Bridge, down the Thames provided many interesting things. For instance, a Japanese fishing boat, perhaps 45 feet in length lying so close to the water that she appeared to be submerged, has, I am told, travelled all the way from Tokio and will return there.

There appears to be no interest here except in the Test Matches, which have been finished today.

"Test Matches" are Cricket, in case you do not know. I am reliably informed that England has won over Australia by tremendous odds.

Please publish my very best regards to everyone within reach of the Bulletin, and take it from me, although everything here has been very happy, I shall be more than ready to return HOME.

Harkness Smith.

## Tryon School Will Open On Monday

Final plans have been made for the opening of Tryon graded school on Monday. Only one change has been made in the faculty as previously published. Supt. W. A. Schilleter said this morning:

"We are happy to announce that Miss Edith Preston has accepted the position as Sixth grade teacher to fill the vacancy due to the resignation of Miss Nell Clinkscales. Miss Preston is well known in this community and I am certain every one interested in the school will be glad to know that she will be in Tryon again. Miss Preston will have charge of Girl's Athletics in the school. We all know of her excellent qualifications as an athletic trainer and we are certain our Tryon girls will receive the best of training under her leadership."

All pupils are asked to please report to their respective classrooms on Monday at 8:50 o'clock. They will march from there to the auditorium for the following program:

Invocation—Rev. B. G. Henry.

Hymn—Audience.

Address—Dr. W. P. Jackson, Field Secretary National Recreational Association.

Remarks and Instructions—Supt. W. A. Schilleter.

Hymn—Audience.

The public is cordially invited to attend the opening exercises.

After the exercises in the auditorium the pupils will march back to their class rooms to receive instructions, book list, schedules and lesson assignments. School will be dismissed about 11:30 on this day.
