Ninth Grade: At a meeting of the class on Wednesday, Harold Taylor was elected president. Other class officers will be selected later. The Ninth grade will present a short play at the assembly hour on Friday, Sept. 23.

Senior Class: The Senior class met Tuesday afternoon at 2:30 to elect officers for the year. Mr. Schilletter called the meeting to order and several persons were nominated for president. The following members were elected:

Mary Gaze, president; Bruce Byers, vice-president; Elizabeth Thackston, secretary, treasurer.

Entertainment for the class was discussed and a committee appointed. The members of the committee are Margaret Pace, chairman; Mary Gaze and Louise Hilton Senior class; Ethel Rushing, Junior class; Hope Schilletter, Sophomore class; Julia Parris, Freshman class.

Class superlatives were also discussed and the president will appoint a committee to select them soon.

Home Economics: We are now making plans for fixing up our home economics department. A committee has been chosen to go on a field trip Wednesday to buy new equipment and curtain. Both first and second year home economics girls chose one from their class to go with Miss Watson to Greenville. The girls chosen were Elizabeth Thackston from the second year class and Evelyn Cromer from the first year class. The second year home economic girls have been canning fruits and vegetables this week. We plan to use these in the cafeteria this winter.

You can send the Bulletin to any friend for six months anywhere in the United States for only \$1.00.

NATIVE ARTS & CRAFTS

A large display of hand-made articles is constantly on exhibition and visitors and home folk are always welcome to come in and browse around.
