WHERE PHARMACY IS A PROFESSION NOT A SIDE LINE

Football Friday

On Friday, September 23rd, the Tryon high grid team will play its opening game of football with Welcome high school of Greenville. This will be a good, hard fought game with plenty of action. The Tryon team has plenty of fast, hard running pony backs. The style of play will be open and deceptive with quick line thrusts.

This will be one of the few games that will be at Harmon Field as the schedule is divided about evenly with out-of-town games. The football fans are urged to come out and support the team. Some of the players are having their first taste of the game and a large crowd will help in spurring them on.

The game starts at 3:30 promptly.

Harper Method Shop with Mrs. Brimmer attending, will be open for business on Wednesdays of each week during the fall season until further notice. Phone 275.— Adv. m's tu's; tf.
