## Disaster Relief

The devastating hurricane with flood conditions which visited the northeastern section of our country this last week has brought widespread suffering and great loss of property and life. Some 10,000 families are out of their homes. The national organization of the American Red Cross is at work relieving distress but its survey of help required from the country at large is not yet completed and no quota has yet been assigned to local chapters. It is evident, however, that substantial assistance must be given; and the Polk County Chapter of the American Red Cross has been authorized by national headquarters to receive contributions for disaster relief. Persons outside of the stricken areas can do little in personal relief of suffering but they can give money

to help feed, clothe and house people made destitute by tragic events. All contributions should be made through Mr. J. B. Hester, treasurer of the Polk County Chapter of the American Red Cross.

## Baptist Revival

Revival services are being held this week at the Tryon Second Baptist church conducted by the Rev. Mr. Dobbins of Gaffney, assisted by the pastor, Mr. Ballew. Public invited.

## Revealing!

Don't speak to me, nor interrupt  
My knee-deep meditation:  
I'm studying the Radio News  
Along with REVELATION.  
And I can sympathize with Noah,  
And with all homeless nations.  
To Hell with War!—the proper  
place  
For greed-born aberrations!
