## Sign Painter Arrested On Felony Charges

Chief Hague Kiser stated this morning (Tuesday) that a series of breaking and entering in various business houses of the town of Tryon had been quelled, and that the guilty party had been taken into custody and charged with the crimes.

G. W. Segee, who came here several months ago and went into the sign painting business with headquarters over the A&P store, confessed to the charges entered against him and was taken to the county jail at Columbus where he was held for investigation. He was later released on bond pending Superior Court action.

The first place entered by Segee was that of G. H. Holmes on the 20th, where he obtained the sum of \$23.00; the second one was that of Dr. J. E. Derby's dental office where he took personal belongings; the next on the list was that of E. Perry Manville, local insurance office, where he took a quantity of cash.

At the time of his arrest, Kiser stated that Segee was hidden in a closet in the building preparatory to entering another office.

The arrest came about by clever detective work on the part of Tryon's police. The chief had obtained the serial number of some of the money taken, and thereby checked upon the party spending it.
