"O Popular Applause! What heart
 of man
 Is proof against thy sweet, seduc-
 ing charms?"

—Cowper.

Country Day School Opened On Monday

The Tryon Country Day School opened on Monday morning with an enrollment of 18. This is the largest enrollment the school has ever had on opening day. The faculty consists of Miss Hope Washburn, Miss Ferdinande Poppe and Mrs. D. C. Brundage. In addition to the regular students the school takes care of pupils who come here for visits of a few weeks or months during the winter season. Parents can now come to Tryon and bring their children with them without handicap to their studies.

A Tinv Tale

My little dog lags on behind;
 I asked "Why do you do it?"
 He said: "My tail wags on behind,
 And I am fastened to it.
 And even so, I am ahead
 Though you don't seem to know it.
 For I'm ahead of that same tail,
 And able quite to show it."

—Hilda von Siller.

A Family Likeness

The Jap's face may be hairless,
 While Hitler's needs a shave,
 But the latter bears a likeness
 To the one Japan would "save".
 —Hilda von Siller.
