## Dean Shields To Manage Texaco

Dean Shields has resigned his position with the A&P Tea Co., where he has been for several years and has taken over the management of the Tryon Texaco Service Station, the new, white, modernistic filling station opposite office of W. S. Green. The building was completed several months ago and equipped with the most modern equipment. Mr. Shields is

a graduate of Tryon High school and is the son of Mr. and Mrs. D. A. Shields of Tryon. He began work in his father's plumbing business several years ago before he finished high school. He is one of the few Tryon boys to try his luck in his own hometown.

Miss Lorena Wynkoop of Scarsdale, N. Y., has returned to Pine Crest Inn for the season.
