TRYON DROPS TWO GAMES TO INMAN

The Inman visitors Friday night presented two well balanced teams of boys and girls and walked away with the games at the Tryon gym. The height of the Inman girls aided considerably in their victory. Score 24 to 11.

The boys' game was as fast as any seen recently with the visiting boys hitting the basket from all angles of the floor and covering the court like veterans. The local boys were considerably off form and could not hit their usual stride. Their many shots at the basket did not connect for tallies. Rogers and Jenkins of Inman accounted for 25 points of the Inman boys' 35 to 13 triumph.

The most delicious chickens a Curb Reporter ever ate are those Brookhill Broilers Dudley Smith advertises in the Bulletin.

"Yo, Ho! And a bottle of rum" sung by the pirate crew in "Treasure Island" by Tony Sarg's marionettes at the Parish House, January 20th, will thrill your very bones.—Adv. 7.
