

Tommy Justice Wins Boxing Match

Frank Wall of Tryon who won his first boxing match over his opponent on Wednesday lost on Thursday in the semi-finals to Bill McNeely, a Rosman lad, in the 135-pound class.

Tommy Justice, formerly of Tryon high school, but now of Blue Ridge school, Hendersonville, won an interesting boxing match on Thursday according to the following news item from the Asheville Citizen:

"Hendersonville, March 2.—Winning six of the nine championship matches, Blue Ridge School for Boys tonight amassed a total of 33 points to capture the team championship in the first annual Western North Carolina high school boxing tournament.

"The Blue Ridge team was presented a trophy and individual winners in the 10 championship matches received golden gloves. Mayor A. V. Edwards of Hendersonville made the presentations.

"A large crowd saw Tommy Justice of Blue Ridge and Field Ledford of Hendersonville mix it up to the tune of two bloody noses in the 112-pound division, with Justice winning on a decision, in the scrappiest bout of the evening."

Miss Frances De Villa Ball will be in New York for the next three months giving a series of talks on music.

One of her engagements, which she is now giving for the Manhattanville College alumnae course, is five talks on "How to Listen to Music."

On her return, Miss Ball will make her home here, thereby adding another to our colony of interesting Tryonites.

Next winter Miss Ball is planning to give more of her talks to colleges and clubs throughout the Southern States—along the line of the series that was so much appreciated by the Lanier club audiences this past winter.
