All-County Basketball Teams Selected

The all-county boys and girls basketball teams which are selected each year by the coaches of the county and the referee of the tournament have been compiled. The selection was made on the total point basis whereby each vote for the first team was given two points and the each vote for the second team was worth one point. This method is universally used due to the lack of agreement as to team selections by coaches and sports writers.

The Green's Creek team, champions of the county for two years straight, placed three boys on the mythical quintet. Horne, their high scoring ace, and Fagan, center, got unanimous votes, with twelve points. Dutton Beatson, captain of the Tryon team received next highest, with eight points. Captain A. Johnson of Green's Creek and McIntyre of Stearns high, got the remaining coveted places with seven points each to tie up for fourth choice.
