## Saluda Apple Festival Plans Started

At a meeting of the Saluda apple growers Wednesday night in the City Hall plans were started for the biggest apple festival ever held in this state.

F. R. Snyder acted as chairman and explained the purpose of the meeting. The question of putting on an apple products exhibit with the apple show was discussed. It was voted unanimously to ask the ladies of the community to sponsor and put on this part of the exhibit.

The following committees were elected:

General Exhibit Committee in Charge—F. R. Snyder, A. M. Salley.

Finance Committee—Miss Besie Sonner, chairman; C. O. Cooper, vice-chairman.

House Committee—H. G. Laughter, chairman; L. Fisher, vice-chairman.

The Festival committee and other necessary sub-committees will be appointed at subsequent meetings or by the general exhibit committee.

The group voted to have a meeting of the apple growers and their assistants the last Wednesday night in each month. These meetings will be used to make further plans for the festival and discuss orchard practices. It is hoped outside speakers can be secured to come in to speak to the group.

Those attending the meeting were: K. J. Davis, C. E. Sanders, F. R. Snyder, H. G. Lawter, J. C. Metcalf, C. O. Cooper, and J. A. Wilson, County Agent.

All apple growers in the community are invited to attend these meetings at 8 o'clock each last Wednesday night.

There will be a meeting of the Sunday school workers at Garrison Chapel Baptist church on Thursday night at 8 p. m. The public is invited to be present.
