The 1939 Frigidaire Refrigerator

All-Steel Cabinet will support a 4-ton elephant perched on top of the cabinet, and still the door will open with perfect ease.

You will not want to place an elephant on top of your refrigerator. You will however be glad to know that your refrigerator cabinet is so well constructed that it will be in good condition many years from now.

Then too, the Meter-Miser that only Frigidaire offers cuts COST TO A MINIMUM.

IT IS NOT BY ACCIDENT THAT SO MANY HOUSEWIVES SELECT FRIGIDAIRE

Select the Frigidaire you want today. It might be cheaper to own it than to do without it.
