

Farmers who have not secured their pedigreed cockerels should do so at once as the time for this swapping proposition will soon expire.

Below is a list of the ones who have already secured 14 of these Wilcox cockerels:

T. P. Clarke, Columbus; J. H. Wilson, Route 1, Landrum; T. J. McDowell, Route 1, Campobello; Mrs. Solon L. Hines, Route 1, Campobello; J. L. Staton, Saluda; Mrs. A. L. McMurray, Columbus.

Joseph W. Gramling of Gramling, S. C., is a patient at St. Luke's hospital.

Miss Corrinne Prince leaves the hospital this afternoon after treatment.

Miss Tessie Forrest of Saluda is a patient at St. Luke's hospital.

Miss Mary Wheeler of Boston, Mass., is in St. Luke's hospital for treatment.

— and current earnings of **3%**

Unless you're assured of greater safety—and where CAN you be?—why should you be satisfied with anything less than maximum earnings from your savings? This strong, helpful local Association heartily welcomes you; come in soon, and learn the unusual advantages we offer savers and investors.

**Safety—Availability—PROFIT . . .  
What More Could You Ask For?**

Perhaps you're not entirely familiar with the way a Savings and Loan Association functions solely in the interests of its shareholding savers. You really *should* be. So do drop in for a friendly little chat; no obligation—not the least bit!
