Fire Damages House At Lynn

The home of Mr. and Mrs. Lewis Blackwell at Lynn, owned by Carl O. Story, located in the Ioka Hills section, was badly damaged by fire Monday afternoon about 5 o'clock. Careful attention will be given to character building, developing leaders, self control, responsibility and cooperation. Some of the leading citizens of Tryon have expressed their willingness and desire to help with this most important part of the work.

Special attention and care will be given to each boy in physical development and athletic training. Such games as volley ball, baseball, archery, swimming, boating,
