TRYON, N. C., MONDAY, JUNE 19, 1939

BOYS CLUB STARTED THIS MORNING

About 40 boys turned out this morning for registration and opening of the fifth season of the Tryon Boys' club. Major W. A. Schilletter, the leader for this year, gave an inspiring talk on the plans for the six weeks' session. Dr. George Farrand Taylor, the founder of the club, also was present and gave a short talk. Seven of the boys connected with the club this year were charter members four years ago and three of the boys have won cups for outstanding service. New physical equipment has been added to help the boys in their work. Games, contests and recreation of various kinds have been planned for this year. A competent staff of counsellors will assist Major Schilletter in conducting the activities of the club. All boys from 9 to 16 years of age are invited to join the club and may come to the school house on Tuesday and register.

Softball Game At 6:30 at Harmon Field

TWO TENNESSEE MEN DROWNED IN LAKE LURE

Lake Lure, June 18.—Roy Praytor, 45, and Paul Warrick, 40, both of Kingsport, Tenn., were drowned in Lake Lure this afternoon about 4:30 o'clock.

The two men and C. B. Ingram, also of Kingsport, were riding in a motorboat owned by Warrick when one of them stepped to one side of the boat causing it to overturn.

Ingram, who is a good swimmer, struggled with his companions for more than 15 minutes and pleaded with them to hold on to the overturned boat until help arrived.

Both Praytor and Warrick became panicky, however, and pulled Ingram under the surface. Finally Ingram said, he got the two men to the side of the boat but they were unable to hold on to the overturned craft and sank.

Both Praytor and Warrick were married and were employed by a Kingsport motor company. They were members of a party that had come here from Kingsport for an outing. They were drowned about a half mile from the boat house in the main channel of the lake.

Warrick's body was recovered at 6:30 o'clock yesterday afternoon by Dewey Price, Lake Lure warden. A large crowd began dragging the lake soon after the accident.

Coroner Robert Hovis investigated the drowning yesterday and announced that an inquest was unlikely.—Asheville Citizen.

Dr. George Farrand Taylor will deliver the commencement address at the Rutherfordton-Spindale high school on Tuesday night.
