## Freezes for Firemen!

Col. Arthur Smith has donated an electric refrigerator to the Tryon Volunteer Fireman for their club kitchen. The Firemen have club rooms upstairs in the Town office building right over the fire trucks. Their club quarters include kitchenette, dining table, chairs, beds, pool tables and other equipment that add much to their comfort and entertainment. They volunteer their services to the community without pay and the equipment such as dishes, chairs, stove, tables, linen, radio, etc. have been donated by friends who think of them from time to time. So when ever you have something extra that you don't need but don't want to destroy, donate it to the Volunteer Fire department. They will eventually need it either for their club room or for some distressed family who have lost by fire.
