Boys' Club News

On Monday morning Dr. W. P. Jackson, Former Field Secretary of the National Recreation Association, came over to the school house to talk to the club. He spoke to the boys on the leaving of your mark on everything that you do. And in doing something, he said, try to leave it better than you found it. His talk was enjoyed and appreciated by all the boys present.

The club is now divided into

Interesting Program At Rotary

James B. Hester presented the Tryon Rotary club with an interesting program on Friday at 1 p. m., at Sunnydale Log Cabin. Scout Executive R. M. Schiele brought a number of talented boys from the Piedmont Council Camp. One of them gave an interesting talk on snakes and during his talk held twining around his arm a four and a half foot black snake. Another Scout gave a talk on "Model Airplane Building" and demonstrated a model he had made himself. It was powered with a small gasoline motor. Two other Scouts, Ernest and Miles Mauney, the twin musicians of Kings Mountain, who have been winning state and district contests, gave two piano numbers, one by Chopin and the other by List. The hearty applause showed the club's appreciation of the marvelous technique of these two Eagle Scouts.

After the program retiring president Julian B. Hester, expressed his appreciation to the members for helping to make the past year one of the best in the history of the local club. Mr. Hester was then presented the past president's pin and jewel as a token of their appreciation of his services.

The new officers are E. Perry Manville, president; Rev. B. G. Henry, vice-president; E. M. Armfield, secretary-treasurer.

Goes To Harvard

Alan Calhoun has left for Cambridge, Mass., where he will do graduate work at Harvard.
