

TRYON BOYS' CLUB ENJOY ICE CREAM

On last Thursday we were made very happy by a most delightful set up by Mrs. J. R. Trowbridge. As we were hiking through the Riding and Hunt Country Mrs. Trowbridge came by in her car and asked us if we would like some ice cream. Well, you know how we like ice cream if there is any thing better than ice cream, it is just a little more ice cream. In a few minutes Mrs. Trowbridge was back with all the ice cream we could eat. One of the boys succeeded in eating six Dixie Cups. Then for dessert we topped off with several lollipops for each boy. We thank Mrs. Trowbridge for her kindness. We shall always remember this most delightful occasion.—Club Reporter.
