Mazzy says he has it on good authority what the King of England said to his wife out of the corner of his mouth at the World's Fair recently. The Monarch was standing at attention while listening to the band playing the National Anthems. There wasn't a lip reader among reporters, but Mazzy says the King whispered out of the corner of his mouth the word, "Swell!" and the Queen nodded affirmatively, "Uh, huh". So that mystery is cleared up . . . Kiwanis club will accept crutches for the purpose of lending to others needing them. The club is acting as a custodian and clearing house to make helpful the things not being used that would be of benefit to less fortunate . . . Robert Taylor is at the Tryon Theatre this week substituting as operator for Phletus "Flip" Pressly, who is on his vacation. Taylor is from Forest City . . .
