Boys' Club Closes

The impressive final exercises of the Tryon Boys' club were held this morning at 10 o'clock at the Tryon school gymnasium. Charles Ford was voted the most outstanding boy in the club and was presented the cup for this achievement by Dr. George Farrand Taylor for J. N. Jackson, Sr. The smaller boys award was presented to Bill Dick by Dr. Taylor. Group 2, headed by Charles Ford, won the shield for most points in accomplishment.

An entertaining and inspiring address was given by W. P. Jackson, former field secretary of the National Recreation Association. Holland Brady, Jr., gave an interesting brief history of the club during the past five seasons. Major W. A. Schilleter, who has directed the club the past two seasons, expressed the thanks of the club to all those kind friends who have assisted the boys in so many ways. The attendance has averaged 40 boys during the session. A large crowd of parents and adult visitors attended the closing exercises this morning. Following the program the guests were shown the display of handicraft and other useful things the boys have made this year as a result of their training in club work. The mission of the club is to have fun and entertainment while doing things in its program of character building, sponsored by Mrs. Anne Bosworth Greene.
