Tryon Schools Open With Large Crowd

Probably the largest attendance ever recorded at the opening program of the Tryon Graded school was present this morning to start the young people on another nine months of study and to hear an interesting program featured by an address by W. P. Jackson, former field secretary of the National Recreation Association. Mr. Jackson gave a half a dozen requirements for success and delivered his inspiring message in an entertaining manner that kept the young folk interested. A large number of parents and former students attended the opening exercises which were held in the auditorium. The audience sang "America" and was led in prayer by the Rev. D. M. McGeachy. Miss Margaret Sprague played a violin solo accompanied with the piano by her sister, Miss Sue Sprague. Instructions were given by Superintendent W. A. Schilletter, who announced that the State of North Carolina will furnish free text books for the elementary grades but that each child in those grades would be required to pay a small fee for notebook and some other things not paid for by the State. High school textbooks will be rented to students for \$2.40 per student.

Kiwanis Tuesday

R. H. Brady will be in charge of the Tryon Kiwanis club program on Tuesday at 1 p. m., at Hotel Tryon. The guest speaker will be W. P. Jackson.
