

Inn Closes And Hotel Opens

The change in season is manifested in Tryon not only by the opening of school and the ripening harvest but also by the returning of many winter residents and the change of management from summer inns to winter hotels. The Lake Lanier Inn which has been operated this summer by E. A. Emmermann has closed and Oak Hall hotel will also be operated by Mr. Emmermann and will open its dining room on Thursday of this week. Thousand Pines Inn operated by Mrs. L. L. Meegan, will open for the winter season about the middle of this month.
