## Defeats Inman Team

—Continued from Page One—

D. Beatson received the final pass and with a twenty yard sprint of broken field running scored. Green bucked over the extra point. The scoring by the Tryon team took place during the last thirty seconds of the game with four plays being executed.

The Tryon backfield turned in an excellent game with Green smashing into the line time and again. Jones, as the first half ended made a forty yard run which was outstanding. Three men in the backfield did the kicking with excellent punting average. The line as a whole was slow and sluggish with Taylor on end and Shields doing the best work. Due to the heat and it being the first game for some of the men much improvement will be shown as the season progresses.
