## Boys Demonstrate How They Won State Prize

Three Polk county 4-H club boys from Green Creek demonstrated before the Tryon Kiwanis club on Tuesday just how they won first place at the recent North Carolina State Fair in the Crop Judging contest. The boys, Harold Weaver, Bruce Cantrell and Joe Stockton, put trays of corn, wheat, clover, etc., on the table and then examined the seeds in front of the club members, then they gave their reasons why each sample of seeds was awarded first, second, third or fourth place according to quality. The knowledge and ability of the boys was very impressive and their teacher, assistant county agent Sam Dobson, came in for much praise when County Agent J. A. Wilson explained the difficulties of teaching proper judging.

The Adams-Millis ten pin team defeated the "Cops" Tuesday night by 307 pins. The Cops beat the A-M two weeks ago and the A-M team promised them a good licking for this return match.

Adams-Millis as follows: Costa, 486; Hancock, 523; Ferree, 365; Furr, 430; Comer, 514, for a total of 2318 pins. The Cops, McLean, 361; Seitz, 442; Culbreth, 415; Foster, 429; Fisher, 364, for a total of 2,011 pins.

Comer holds high single string for the evening and probably for the week with 217 pins. A very good score.

Radio announcement this morning: Russia has turned the captured American ship City of Flint, over to Germany. The ship was captured by a German ship and interned at Murmansk, Russia.

## Kiwanis Club Elects Officers for 1940

County Agent J. A. Wilson of Columbus has been elected president of the Tryon Kiwanis club for 1940, effective on January 1. Other officers elected are Dr. C. Arthur Lincoln, vice-president; C. J. Lynch, treasurer; Seth M. Vining, secretary; directors: K. A. Bowen, Dr. B. B. Bishop, Jr., C. P. Rogers, P. L. Barnette, George A. Cathey, R. H. Brady, J. N. Jackson.

President-elect Wilson is the present vice-president and he has been active in promoting Kiwanis goodwill and fellowship throughout the county in rural sections where the Tryon club has worked for better farm life by giving prizes to 4-H club members, buying pure seed for them, and giving them purebred pigs and sheep. The club also has helped pay the expenses of 4-H club members to state and district camps. Farmers have been invited to the Tryon club from time to time and the club has held several of its meetings in various sections of the county in order to promote fellowship and a better understanding of one another's problems. At Christmas time the club members give Christmas cheer baskets of food and fruit to the less fortunate in rural sections.

Mr. Wilson will succeed President Hoyt O. Prince of Landrum who will become immediate past president on January 1st.

Two hundred South Carolina Garden club delegates are meeting today in Spartanburg.
