

Basketball Tuesday Night

Much interest is being shown in the basketball game on Tuesday night, December 19th, between the Tryon high school boys and Stearns high of Columbus. The Tryon boys exhibited a fast brand of basketball to win their opening game from North Greenville academy last Friday night and hope to rack up another win. The boys from Columbus have another good team this year and the competition promises to be keen and hard fought. The game will start promptly at 7:30 and will be over over by 8:30. A minimum charge will be made for spectators. Be certain to see this game and get a line-up on future games for the remainder of the basketball season.

Miss Clare Trowbridge has come home from Arlington Junior college to spend the Christmas holidays with her parents, Mr. and Mrs. James R. Trowbridge, at Dogwood in the Hunting Country.

Miss Edith Thurston, member of the faculty of Cedar Springs Institute is spending the holidays in Tryon at Cherokee Lodge.
