Birthday Party At The Lanier Club

(By Mabel Howell)

The long-heralded anniversary party of the Lanier club took place Thursday afternoon at the library and was a memorable affair. The President Miss Helen Roberts, who presided, had with the help of a former president, Mrs. George Morton, compiled a brief, but most interesting history of the club. Bowl Games Are Showing At Tryon Theatre

A good example of the fast life the world is living was seen on Thursday night when motion pictures were shown at Tryon Theatre of the Rose Bowl football game played at Pasadena, Calif., on New Year's Day. This game between Tennessee and Southern California was heard on the radio Monday night. The motion picture films were then rushed to New York by airplane where they were developed and on to Tryon by Thursday afternoon's 4:30 train. They will be shown again tonight together with the Orange Bowl, Cotton Bowl and Sugar Bowl games. People in Tryon can enjoy the highlights of all these games with the better vision, better understanding and more comfort and at less expense than the eyewitnesses at any one of the games.

The sale was made through C. J. Lynch. The trade had been underway for sometime but was not completed until this week. Mr. Kimberly, who is the Master of Hounds and a leader in the Tryon Riding & Hunt club activities plans to make extensive improvements on his newly acquired property which joins the recently built kennels on the Morgan Chapel road. Mr. and Mrs. Sharpe will remain on the property as caretakers.
