TRYON, N C., THURSDAY, JAN. 11, 1940

Tryon High Downs North Greenville

The Tryon high boys rang up their third victory of the season last night by defeating the strong Greenville Academy by 27 to 21. The locals were forced to play without the services of their sharp shooting forward, McFarland, who was on the sick list. The Tryon quintet jumped into an early lead and held their own throughout the contest with Greenville never being closer than three points. The junior college boys were given the first opportunity to score on a charity toss but missed. Soon afterwards, Vining opened up with a goal followed by Taylor and Dutton Beatson, and Tryon had six points to their opponents' none at the end of the first quarter. In the second quarter Beatson came out with three personals and Cooksey replaced him for the next two quarters. The game ended with the locals holding their own and six points ahead. The entire six men who took part in the game for Tryon played good, aggressive ball and displayed excellent teamwork in penetrating the defense of Greenville. Gambrell, Neely, and Dabney, were the big shots for the Academy boys, displaying a fancy brand of dribbling and pass work.

The next game on the local's calendar will be on Friday night at the Tryon gymnasium with Central high of Rutherfordton coming over. The visitors are noted for their teams and if you want to see a good game of basketball don't miss this one. The game

CURB REPORTER

Tryon is a busy little place. The average person doesn't realize the many calls for service made on the local merchants, local business men, organization and town government. You take the highway from the railroad crossing to the South Carolina line is pretty bad. A sidewalk is needed badly for pedestrians. Charlie Lynch and the town officials are working with the highway department to have this road straightened and improved. The Farmers Federation who removed their big wood pile and built an attractive rock wall facing the highway have gone a step further and given Chief Kiser permission to remove the old blacksmith shop nearby. Butler Dairy's new Pasteurizing plant on this road has helped and the resident along this route have been improving their property for sometime, painting, remodeling and planting flowers and shrubs. Sunnydale on the right looks good and by and by Tryon's Southern entrance will be a credit to the community. The highway department has already surveyed this route and as soon as they finish their work property owners and the town can make out their program, but in the meantime it is nice to know that all concerned are doing their bit to help . . . Sixteen
