## Unemployment Man Here Every Thursday Noon

Mrs. George A. Cathey, chairman of the service committee of the Polk County Chapter of the American Red Cross, had received so many inquiries from people wanting jobs that she secured a definite schedule from the State unemployment agency to have a representative in Tryon at the old Town Hall every Thursday noon from 1 o'clock to 3:30 p. m. People looking for maids, cooks, and other help of any kind may also contact the representative at this time. I. Lee Parker of Hendersonville is manager of this district. The representative will be at Saluda on the same day from 11:30 to 12:30 at the City Hall in Saluda.
